

NOTICE – For many years, ‘Red’ Beckman’s books were handled by Common Sense Press. This was a private, unincorporated company owned by ‘Red’ Beckman and his family. Now State and Federal government agencies, in collusion with the banking interests, have made it difficult to maintain our business as Common Sense Press. We can still process personal checks to M. J. ‘Red’ Beckman but we would prefer money orders or cash. PLEASE do not make checks payable to Common Sense Press – Constitutionally Yours – M. J. Beckman
